Print only this page first to check accuracy.
The Mood square above should measure 2 inches. Print "actual size" in "portrait" mode (not auto center). Formatted for both US Letter & A4 paper sizes.

Trimless Option:

This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

Trimmed Option:

This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.
